A Message from Chancellor Gary S. May

Congratulations to the Class of 2021!

It is with great joy that we recognize your hard work and congratulate you on your tremendous achievement. We stand in awe of your resiliency and determination. You deserve extra credit for persevering during some of the most tumultuous times our country has ever seen, from the disruptions and heartbreak of the pandemic to the tragic killings of unarmed people of color and growing protests calling for social justice all across the country.

You’re earning a degree that commands respect in graduate schools and workplaces around the world. You’ve been part of a community that seeks comprehensive solutions from the most diverse minds. At UC Davis, you learned to outgrow limitations. You’re ready to take on any challenge. You’re strong. You’re resilient. You’re Aggies.

A whole world of opportunities awaits, and you are ready. So go boldly and continue striving to be your very best.

Go Ags!
Gary S. May
A Message from Dean Jean-Pierre Delplanque

Congratulations, graduates!

We are honored and humbled that you chose UC Davis as your home for your graduate education journey. I have no doubt that you will continue to serve as ambassadors for the University through your continued research, teaching, and service to your communities and society at large.

Know that no matter where you go, whatever new heights you reach, whatever discoveries you pioneer, you can always count on UC Davis to be your home.

Sincerely,
Jean-Pierre Delplanque
Vice Provost and Dean, Graduate Studies
