2017-18 Graduate Student Fees, not full-time enrollment

PELP: $70.00

Withdrawal from the university through the Planned Educational Leave Program (PELP) is available to graduate students who need to take a leave from their academic program for various reasons, including health-related issues, family crises, or to clarify educational goals. Charged to your student account.

WARNING: If you withdraw or break registration without filing for PELP you are not guaranteed readmission.

Filing Fee Status: $162.00

The Filing Fee program was established expressly to assist those students who have completed all requirements for degrees except filing theses and dissertations and/or taking final examinations and are no longer using university facilities. The Filing Fee is a reduced fee, paid in lieu of registration fees. It is assessed only once. You are no longer considered a full-time registered student by the university and are not entitled to the same benefits and privileges as a registered student. Not charged to your student account, pay the Filing Fee at the Cashier’s Office: http://cashier.ucdavis.edu/student/svcsfees.cfm.

In Absentia Registration: $2,060 per academic quarter (15% of Tuition & the Student Services Fee plus Health Insurance) Nonresident Alien students must also pay NRST ($5,034), if applicable.

Available to regularly enrolled and registered students who have an academic need to conduct research or study outside of California for at least one full academic term. Promotes continuous enrollment of graduate and professional degree students by providing an appropriate enrollment incentive. Charged to your student account. http://gradstudies.ucdavis.edu/current-students/admissions-academic-services/absentia-faq
Types of Funding

- How to fund your Graduate Education?
- Fellowships
- Academic Appointments
- Student Loans
- Personal Resources
Fellowships & Grants

• **Fellowship** (used interchangeably with "grant")
  • The equivalent of "scholarship" in the undergraduate world, is an "award," that is "free money" with few, if any "strings attached."
  • Can be support for stipend or "living expense," fees, tuition, research, travel or any combination of these.
  • The value can be from $500 (e.g., a travel award) to $50,000/year.
  • Time period - can be a one-time payment, a 1-yr, 3-yr or even 5-6 yrs of support.
  • Different fellowships for different periods of your academic career, i.e., there are fellowships that you can apply for at the beginning of your graduate career, there are pre-dissertation, and dissertation research fellowships, and postdoc awards.
  • The majority are "merit based" (GPA/GRE scores/letters of reference) and there are also "need-based" (e.g. the federal criteria for financial need based on the FAFSA). There are a myriad of other eligibility factors listed in the application instructions (residency, discipline).
  • They are prestigious and make an impression on your CV. "Fellowships beget fellowships."
Fellowships & Grants

• **Timing**
  
  • Must look for funding every year at least a year in advance

  • Many application deadlines are in the fall for the next academic year (fall 2016 application deadline to receive funding for the school year starting in fall 2017)

  • Offers often made in Feb, March, April

  • The graduate student is, in many cases, a “commodity.” Negotiate for your support – use your external fellowship as a bargaining tool
Internal Fellowships

• Internal Fellowships are funds controlled by UC Davis
  • Graduate Program Fellowship Allocation
    • Fellowship funds allocated to the Graduate Programs
    • Processed by your Graduate Program Coordinator (return award letters to your program)
  • Restricted Endowments
    • Gifts for fellowships targeted to specific student populations
    • Processed by the Office of Graduate Studies
  • Travel Awards
    • Offered twice/year in Oct (for travel from July - June) & March (for travel from January - December)
Continuing Student Internal Fellowship Competition

- **Deadlines**
  - **January 15\textsuperscript{th}**: Fellowship applications from \textit{continuing} students through our online application form.
    - Letters of reference should be submitted by January 22, 2018
  - **February 05\textsuperscript{th}**: Graduate Programs forward nominations for \textit{continuing} students to the Office of Graduate Studies
  - **March**: The Office of Graduate Studies begins emailing offer letters to students; copies are sent to graduate programs.
  - **If you did not win**: Because we award fellowships through October (due to funding timing), you will not receive notification that you did not win.
Internal Fellowship Application Process

- 58 restricted endowment fellowships for Continuing Students (11 open to Nonresident Alien students)
  - Application and descriptions of each fellowship: [http://www.gradstudies.ucdavis.edu/ssupport/continuingfellowships.html](http://www.gradstudies.ucdavis.edu/ssupport/continuingfellowships.html)
  - Approximately 130 awards (range from $1,500 research allowance to $70,000 multi-year award)

- Required Application Materials
  - 2 Essays (statement of purpose & personal history statement)
  - 3 Letters of Recommendation
  - Biographical Data

Travel Awards

- Offered twice/year in Oct (for travel from July - June) & March (for travel from January - December)
  - Nominations due to OGS November 15th and April 15th
  - Awards announced the week of December 15th and May 15th
- Students may only win once
- Award amount varies by destination ($500 for CA, $1,000 CONUS, or $1,500 OCONUS)
- $25,000 awarded twice per year
- Three nominations allowed per Grad Program
- Application form and instructions here: http://www.gradstudies.ucdavis.edu/ssupport/internal_travel.html
- Different from the GSA Travel Award - https://gsa.ucdavis.edu/funding/travel-awards/
**Internal Fellowships**

- **Tuition & Fee Fellowships**
  - Tuition & Fee fellowships may include only those University and campus fees that are required of all students ([http://budget.ucdavis.edu/studentfees](http://budget.ucdavis.edu/studentfees)).
  - Miscellaneous fees such as those for PELP, Filing Fee, advancement to candidacy, course materials, SISS services, library charges, health center charges, late fees, the $150 Document Fee, etc. may not be paid on behalf of students as a fee fellowship. Those fees are wholly the responsibility of the student.
  - If your Tuition & Fee and/or NRST charges are reduced, your award or remission must also be reduced. You cannot receive a refund for a Tuition & Fee or NRST over-award.
    - This most commonly happens when students opt-out of UC SHIP after the fee payment has posted.
Internal Fellowships

• **UC Student Health Insurance Plan**
  - [http://shcs.ucdavis.edu/insurance](http://shcs.ucdavis.edu/insurance)
  - The UC Regents mandates that all students have health insurance. UC Davis automatically enrolls all registered students in the UC Student Health Insurance Plan (UC SHIP).
  - If students have comparable insurance and do not want to be enrolled in UC SHIP, they must apply for a waiver.
  - If the waiver is approved, the student’s Tuition & Fee charge will be reduced by the amount of UC SHIP ($1,448 per quarter for 2017-18).
  - If full Tuition & Fees were paid on the student’s behalf via fellowship or academic appointment remission prior to the waiver approval, the Tuition & Fee reduction could generate a refund in error. This is considered an over-award and the refund must be repaid.
  - **To avoid an over-award, report your intent to opt out of UC Ship at your earliest convenience.**

    • After the UCOP NRST Waiver period, nonresident doctoral students are again charged NRST until they complete their degrees.
    • The Post-candidacy Nonresident Supplemental Tuition Fellowship Program is a non-competitive fellowship program that covers the cost of NRST during the fourth and fifth years after advancement to candidacy.

External Fellowships

• **Application Process**
  - The Student applies directly as the Principal Investigator (P.I.) to the agency following the agency’s guidelines and application instructions - although institutional support is often required.
  - Institutional Support: Signature and/or endorsement from the affiliate university is often required, i.e., the student’s faculty mentor, chair, or an institution official might need to sign the application, offer a letter of support, or submit the application online.
  - If UC Davis institutional support required, student must complete External Fellowship/Grant Application Data Form and obtain required signatures: [https://grad.ucdavis.edu/current-students/financial-support/external-fellowships/apply-external-fellowship](https://grad.ucdavis.edu/current-students/financial-support/external-fellowships/apply-external-fellowship)

Types of Funding

• How to fund your Graduate Education?

• Fellowships

• Academic Appointments

• Student Loans

• Personal Resources
Academic Appointments

• **Academic Appointment = Student Employment**
  
  • Appointment time (also called FTE or Full Time Equivalent)
    
    • A full-time employee is 100% and a half-time employee = 50% FTE (20 hours/week).
    
    • Max student appointment is 50%
    
    • [http://gradstudies.ucdavis.edu/faculty-staff/academic-personnel/salary-scales](http://gradstudies.ucdavis.edu/faculty-staff/academic-personnel/salary-scales)
  
  • Minimum qualifications for being employed are:
    
    • Full-time, registered, graduate student (12 units)
    
    • 3.00 GPA (on a 4.0 point scale)
    
    • Student must be in good academic standing
    
    • Maximum Length of Service restrictions = 15 quarters for teaching titles and 18 quarters for research titles
Academic Appointments

• GSR = Graduate Student Researcher
  - A Graduate Student Researcher is a graduate student who performs research related to the student's degree program in an academic department or research unit under the direction of a faculty member or authorized Principal Investigator.
  - First paycheck is November 01st (always a month in arrears).
  - Usually includes Tuition & Fee remission and NRST remission as a benefit of employment: https://grad.ucdavis.edu/eligibility-remission-benefit
  - GSR salaries usually follow a compensation plan and have multiple salary steps depending on the employee's level of experience and education. E.g. bachelors degree, < 1 year grad study, without extensive applicable work experience = you start at salary step 1. If you've completed your dissertation research then you could be salary step 7-10.
  - For example, gross monthly pay at lowest salary step, working 25% time, is around $815. (50% time at highest step, X, is $3,193 per month)
  - To obtain research jobs, the best way to start is to inquire within your own graduate group or department.
Academic Appointments

• **TA = Teaching Assistant**
  - Employed by department to assist with tasks related to teaching undergraduates.
  - Usually includes partial Tuition & Fee remission: [https://grad.ucdavis.edu/eligibility-remission-benefit](https://grad.ucdavis.edu/eligibility-remission-benefit)
  - First paycheck is November 01\(^{st}\) (always a month in arrears).
  - Students appointed to the title Teaching Assistant receive a monthly salary related to the percentage of appointment time, e.g. gross monthly pay working 25% time (10 hrs/wk) is $1,147.
  - Each department has its own applications for Teaching Assistant positions, which you should fill out annually if you are interested in a TA position.

Types of Funding

• How to fund your Graduate Education?

• Fellowships

• Academic Appointments

• Student Loans

• Personal Resources
Financial Aid for International Students

• Though rare, there are loans available to international students who meet certain criteria. Most loans require a cosigner*. A variety of organizations and institutions provide private loans to international students. Many provide assistance that is targeted to students from specific regions or countries and who meet certain criteria. The best ways to search for a loan is by contacting your bank and by doing online research (for example: http://www.elmselect.com/#/). It is essential that you read and understand all loan terms before signing a contract.

• *A cosigner is someone who guarantees and is responsible for payment to the loaning institution if for any reason you are unable to pay back the loan. Most loans in the U.S. will require that your co-signer is a U.S. Citizen or Permanent Resident and have stable employment and income.
Tax

  • The information I'm presenting today is intended only to introduce you to the tax rules applicable to recipients of scholarships and fellowships. The University of California does not provide tax advice; you should contact your personal tax advisor with any questions or concerns.

• **Taxation of Grant/Scholarship Awards:**
  • The Tax Reform Act of 1986 makes taxable: scholarships, grants, fellowships, traineeships, and other forms of gift aid that exceed the costs of tuition, fees, required books, and supplies.
  • Tax year (the calendar year) versus the academic year (Oct – June)

• **If you had income, you may be required to file two income tax returns:** (1) Federal, and (2) State
