Providing Guidance for Grad Students on the Autism Spectrum

Saturday, May 5th, 2018
1:00pm-5:00pm | 207 Olson Hall
Please Register:
https://guidanceforgraduatesonautismspectrum.eventbrite.com

This interactive presentation will provide important information intended to guide graduate students on the Autism Spectrum along their academic trajectory at UC Davis. A variety of topics will be addressed, including: dealing with stressful and/or unexpected circumstances; graduate responsibilities and overcoming heightened anxiety; building relationships and networking; effective time management; and more. This event is open to all who may be interested.
