Using GradPathways to Create Your Own Professional Development Roadmap

Teresa Dillinger, Ph.D., Director, GradPathways Institute and Academic Administrator, Professional Development Programs

David Blancha, Ph.D., Assistant Director, GradPathways Institute
WORKSHOP OBJECTIVES

- **Introduce** resources that will help ensure success in graduate school and beyond
- **Identify** ways to build skills and competencies (and thus your career!) while still in graduate school
- **Explore** opportunities unique to the UC Davis graduate school experience so you can make the most of them
PROFESSIONAL DEVELOPMENT

Use opportunities provided by GradPathways to help ensure success at UC Davis and in your future career.
EIGHT CORE COMPETENCIES
4 TYPES OF PROGRAMMING

- **INTRODUCTORY**
