Packaging Lock
 Period Budget Group Detail
 BBAYS Awarded

What was awarded to the student from Financial Aid

What has been awarded to the student (fellowship, employment remissions)

Amount the student has actually accepted/been awarded

= Gross Need - Total Offered

Budget as determined by financial aid

Student contribution determined by FAFSA

Budget minus EFC

How Do I Determine Eligibility?

Step 1: Have the student accept or decline any outstanding Financial Aid awards in MyAwards.

Step 2: Determine if the student will be employed or receive any fellowships for the rest of the fiscal year (Summer 2017 to Spring 2018) beyond what is already listed on the screen.

For the purpose of this example, we will assume the student will decline all of the loan, is scheduled to TA in Winter and be a work study GSR in Spring, but has no other fellowship awards.

| Fund | Description | Status | Offered | Accepted | Declined or Cancelled | Memoed or Authorized | Paid | Schedule |
|---------------|------------------------------|--------|-----------|-----------|-----------------------|----------------------|----------|--------------------------|
| CFGGD | UCD Campus Fee Grant GD | ACPT | 600.00 | 600.00 | | | 200.00 | <input type="checkbox"/> |
| DSTFDU | Fed Direct Unsub Loan | OFRD | 20,500.00 | | | | | <input type="checkbox"/> |
| FDWU | Supp PhD NRST 17-18-Stipen | ACPT | 4,000.00 | 4,000.00 | | 1,300.00 | | <input type="checkbox"/> |
| GHTF | Grad TA Hlth Rem Fee-Fall-G | ACPT | 1,477.77 | 1,477.77 | | | 1,477.77 | <input type="checkbox"/> |
| GTAf | Grad TA Fee Remission-Fall-G | ACPT | 4,210.00 | 4,210.00 | | | 4,210.00 | <input type="checkbox"/> |
| | | | | | | | | <input type="checkbox"/> |
| | | | | | | | | <input type="checkbox"/> |
| | | | | | | | | <input type="checkbox"/> |
| | | | | | | | | <input type="checkbox"/> |
| Total: | | | 30,787.77 | 10,287.77 | | 1,300.00 | 5,887.77 | |

Summary

| | | | | | | | |
|-----------------------|-----------|---|---|--------|--|------------|------------|

How Do I Determine Eligibility? (Cont.)

Step 3: Take the accepted aid amount and add any awards not posted. In this example, we would take \$10,287.77 and add health insurance (\$1,477.77 x2), TA fee remission (\$4,210 X 1) and GSR fee remission (\$4,485.99), for a total of \$21,939.30.

***Reminder: Do not include salary.**

Step 4: Take the Gross Need and minus the total from above. In this example, this would be \$35,406 minus \$21,939.30, which equals **\$13,466.70**.

The screenshot displays the Oracle Fusion Middleware Forms Services interface for an Award Form (RPAAWRD 8.27 (prod)). The 'Fund Awards' table is shown with the following data:

| Fund | Description | Status | Offered | Accepted | Declined or Cancelled | Memoed or Authorized | Paid | Schedule |
|--------|------------------------------|--------|-----------|-----------|-----------------------|----------------------|----------|--------------------------|
| CFGGD | UCD Campus Fee Grant GD | ACPT | 600.00 | 600.00 | | | 200.00 | <input type="checkbox"/> |
| DSTFDU | Fed Direct Unsub Loan | OFRD | 20,500.00 | | | | | <input type="checkbox"/> |
| FDWU | Supp PhD NRST 17-18-Stipen | ACPT | 4,000.00 | 4,000.00 | | 1,300.00 | | <input type="checkbox"/> |
| GHTF | Grad TA Hlth Rem Fee-Fall-G | ACPT | 1,477.77 | 1,477.77 | | | 1,477.77 | <input type="checkbox"/> |
| GTAF | Grad TA Fee Remission-Fall-G | ACPT | 4,210.00 | 4,210.00 | | | 4,210.00 | <input type="checkbox"/> |
| Total: | | | 30,787.77 | 10,287.77 | | 1,300.00 | 5,887.77 | |

The 'Summary' tab is also visible, showing the following values:

| Offered: | Aid Period: | Budget | EFC | Gross Need | Unmet Need |
|-----------|-------------|-----------|-------|------------|------------|
| 30,787.77 | FULLGR | 36,444.00 | 1,038 | 35,406.00 | 5,656.23 |

→ This is the student's actual unmet need (aka the amount available for work study).

How Do I Determine Eligibility? (Cont.)

Step 5: Check out the OGS website to see how much each work study unit will “cost” the student. For 17-18, each work study unit costs \$2900.

Step 6: Take the amount from Step 4 and divide it by \$2900. For this example, that would be $\$13,466.70 / \$2900 = 4.64$. This means the student would be eligible for roughly 4 units of work study (or 2 quarters of 50% GSRs).

The screenshot displays the Oracle Fusion Middleware Forms Services interface for an Award Form (RPAAWRD). The main window shows the 'Fund Awards' section with a table of financial data. Below this, a 'Summary' section provides key financial metrics and award details.

| Fund | Description | Status | Offered | Accepted | Declined or Cancelled | Memoed or Authorized | Paid | Schedule |
|--------|------------------------------|--------|-----------|-----------|-----------------------|----------------------|----------|--------------------------|
