## Re: Graduate Student Researcher Compensation Plan

The standard financial package for full-time graduate students making satisfactory progress in the Comparative Literature Department is a 50% TA appointment during the academic year. Graduate students in the Comparative Literature Department are typically offered GSR positions in addition to their 50% TA position. Therefore, we have no minimum percentage or step requirements for GSR appointments. Step assignments will be made according to the published salary scale (<http://gradstudies.ucdavis.edu/facstaff/Salary%201112.pdf>).
