

DEPARTMENT OF CHEMISTRY
GRADUATE STUDENT COMPENSATION PLAN
ACADEMIC YEAR 2020-21

OCTOBER 2020 – SEPTEMBER 2021

All Chemistry PhD students are guaranteed a salary of \$30,000.00 per year, contingent upon satisfactory and timely progress as defined in the Chemistry Graduate Program degree guidelines. This will be accomplished by paying students in the following manner:

TA

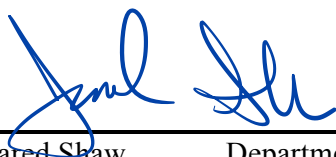

Academic Year	50%	$\$5,015.33 = \$2,507.67/\text{mo} \times 9 \text{ mo} =$	\$22,569.03
GSR Summer Salary	41.5%	$\$5,982.25 = \$2,482.63/\text{mo} \times 3 \text{ mo} =$	\$7,447.89
TOTAL per year			\$30,016.92

GSR STEP VIII

Academic Year	42%	$\$5,982.25 = \$2,512.55/\text{mo} \times 9 \text{ mo} =$	\$22,612.95
Summer Salary	41.5%	$\$5,982.25 = \$2,482.63/\text{mo} \times 3 \text{ mo} =$	\$7,447.89
TOTAL per year			\$30,060.84

We adjust the summer salary to make the required \$30,000.00, based on what the student did during the academic year.
