

**Food Science Graduate Group
Compensation Plan
October 1, 2020**

The graduate group in Food Science has updated the compensation plan for Graduate Student Researcher (GSR) appointments **effective October 1, 2020** to be phased in three consecutive years. Graduate Program Fellowship Allocation, awards, fellowships and other generated income can be used to offset the stipend. The GSR title requires that in-state and out-of-state fees be paid at the current rate. Salary is subject to change per University Directive.

Masters (MS) and Doctoral (PhD) Students
